## Nexus receives order from Resurs Bank

**Nexus has signed a license agreement with Resurs Bank on the solution Nexus Safe Access. The solution will be used to provide Resurs Bank's customers a convenient and secure means of identifying themselves when using the bank's web service. The agreement is valid for 4 years and the total order value amounts to SEK 2.3 million.**

"Safety and customer value is of high importance to Resurs Bank. Nexus has a long experience of security solutions for the banking industry and very good references. This made the choice of supplier easy." says Lars-Göran Lindsten, Development Manager at Resurs Bank.

"I am pleased that Resurs Bank, like most banks in Sweden, chooses Nexus solutions to provide their customers with secure and easy access to their services," says Peter Gille, CEO of Nexus.

### About Nexus

Nexus is a global provider of solutions and services within the information security area. Our business concept is to make the right information available to the right people, at the right time, wherever they need it in the world. Our customers are larger companies and organisations where IT and the Internet are essential in the handling of vital information and knowledge. For more information please visit our web site [www.nexussafe.com](http://www.nexussafe.com).

### About Resurs Bank:

Resurs Bank is the Swedish market leader in retail consumer credit. The bank's loyalty card concept is present in most major retail chains in a variety of industries – currently there are more than one million cards in the Nordic countries. Resurs Banks Supreme Card with MasterCard is one of Sweden's most popular credit cards. The success lies primarily in the generous bonus earnings as well as the preferential payment options. Resurs Bank also offers deposit accounts with high interest rates and favorable terms - read more on [www.resurs.se](http://www.resurs.se).
